

Remarks

By this Preliminary Amendment, claims 1-31 and are cancelled and replaced by new claims 32-58. The independent claims are essentially rewritten in better form to address unity of invention issues. Other claims revisions are made in order to obviate minor informalities and to better protect practical business embodiments. No new matter is added.

Applicants respectfully solicit that this Application is in condition for allowance, and Applicants request that the Examiner give the Application favorable consideration and permit it to issue as a patent. However, if the Examiner believes that the Application can be put in even better condition for allowance, the Examiner is invited to contact Applicants' representative listed below.
